## SUMMARY

I am Galih, a final-year student with extensive experience and expertise in full-stack programming and IT. My background includes strong proficiency in various programming languages and frameworks, and I have undergone professional training in the IT sector. I have experience building and managing websites and APIs, and possess in-depth knowledge of IT technology architecture. I am confident that my skills and experience will be valuable assets to any IT team in achieving their business goals.

## EXPERIENCE

- Intern

PT. Satria Bahana Sarana

04/2023 - 06/2023

I am responsible for designing and developing a website for daily maintenance check vehicle data collection.
- Research

STIKES AI - Su'aibah Palembang

01/2024 - 05/2024

I developed a website for managing new patient registrations and hospital staff records.

## EDUCATION

- Computer Science Faculty

Universitas Sriwijaya - Associate Degree

08/2021 - 08/2024

I am a final-year student at Sriwijaya University, majoring in Information Management in the Faculty of Computer Science, with a GPA of 4.00.
